

WILLIS OLIVER - 25 YEARS AT PASC

Willis Oliver has been dedicated to the In-Home Supportive Services (IHSS) community for over three decades. His journey began in the early 1990s as an IHSS provider, back when the program was known as Home Maker's Choice. In 2000, Willis joined the Personal Assistance Services Council (PASC) as one of its very first employees, and today he proudly holds the distinction of being the organization's longest-serving staff member. October 2025 will mark his 25th anniversary with PASC.

Throughout his career, Willis has played an integral role in nearly every department at PASC, supporting the growth and development of the organization from its earliest days. From working in accounting and human resources to contributing to the registry, programs, outreach, and health plan departments, Willis has been a cornerstone of PASC's operations. He also served as Executive Assistant for over 14 years, supported the interim director as Facilities Coordinator, and now serves as Facilities Manager. In every role, Willis has continued to serve as Board Clerk for PASC's Governing Board of Directors, a responsibility he has carried with pride since the beginning.

Beyond his daily responsibilities, Willis has contributed to organizational culture and staff well-being through his work on the Union Negotiation Committee, the Policy and Procedures Committee, and as founder of PASC's Sunshine Committee, which celebrates staff achievements and organizes staff holiday events.

Outside of PASC, Willis is deeply active in his church community, where he has served as treasurer, usher, board director, and a member of the welcoming committee. Known for his kindness, dedication, and love of Tiffany Blue, Willis has truly impacted PASC and the IHSS community.

Join us in congratulating Willis on his 25 years of service, and thanking him for all he has contributed to those we serve.
